INTRODUCING “REFER A FRIEND” PROGRAM ONLY AT ABS TECHNOLOGIES, INC.

Here's How It Works

- **Refer a friend or family member** to ABS and when they purchase any of our products and/or services, we will send **YOU** a check for **\$10** for each referral.
- **Give this letter to any friend or family member** for your referral. Make certain they include the **PROMO CODE** below with their purchase of any of our products and/or services. This will identify you as the referral friend to receive a check.
- **There is no limit to the number of referrals** you can provide. Simply photocopy this letter and give it to your friends and family. Before long, you may receive several referral checks from ABS.
- **We are confident** you know many who are interested in transferring film, tape, and slides to DVD to preserve family memories for future generations. Your DVD can also include background music with an on-screen menu to choose from. Other services include: CD and DVD duplication with full-color thermal on-disc imaging, Digital photography and wedding video services, Web hosting, Web development, streaming media online services, video biography and full production services, hardware repair, and software product sales!
- Have your referral contact ABS Customer Service Representatives anytime from 9 AM to 6 PM, Monday through Friday at **1-877-888-8894**, and be sure to let them know you are part of our new “Refer A Friend” Program!
