Referral (Who You Referred): _____

INTRODUCING “REFER A FRIEND” PROGRAM ONLY AT ABS TECHNOLOGIES, INC.

Here's How It Works

- **Refer a colleague, friend or family member** to ABS and if they purchase any of our products and/or services, we will send **YOU** a check that ranges from \$10 to \$200 for each referral.
- **Give this document to any colleague, friend or family member** to submit your referral. Make certain they provide a copy of this document with their purchase of any of our products and/or services. This will identify you as the referral party to receive a check.
- **There is no limit to the number of referrals** you can provide. Simply photocopy this document and give it to a colleague, friends or family member. Before long, you may receive several referral checks.
- **We are confident** you know many who are interested in transferring film, tape, and slides to Blu-ray, DVD, or CD to preserve family memories for future generations. Your media can also include background music with on-screen menus to choose from. Other services include: media duplication with full-color thermal on-disc imaging, Video Surveillance and Security Solutions. We also provide MAC & PC computer sales, service, and support!
- Have your referral contact ABS Customer Service Representatives anytime from 9 AM to 6 PM, Monday through Friday at **1-877-888-8894**, and be sure to let them know you are part of our new “Refer A Friend” Program!
