

Martin Julien

EXPERT ELECTRICAL SERVICES

BACKGROUND

Martin Julien Electrician (MJE) is licensed and insured in Massachusetts with over 25 years of residential and commercial experience. The company specializes in commercial electrical troubleshooting; using innovative approaches to resolve electrical problems and repairs.

CULTURE

Safety is our Culture. Keeping our employees and our client projects safe are the most important matter to us, and safety will always come first as we strive for accident-free projects. We are committed to safety.

Quality is our Standard. Our goal is simply to be the best and to continually improve. This is accomplished through focused teamwork, pride in our work, quality-controlled systems, and by hiring and educating the best people we can find. Our team members are quality focused.

Committed to our Clients. We feel a sense of urgency on any matters related to our clients. We own problems and we are always responsive. We are client driven.

SERVICES

Some commercial projects include backup generators, HVAC line side voltage installations, single and three phase electrical panel upgrades, Ground Fault Circuit Interrupters (GFCI), and Arc Fault Circuit Interrupters (AFCI).

Residential electrical solutions may include but are not limited to new construction, electrical heating systems, electrical distribution panel upgrades from fuse to breakers, HVAC split systems, and more.
