

Parents can now protect their children with the peace of mind in knowing they have an army of counter surveillance solutions, easily available, and affordable.

### FORENSICS

#### iPHONE RECOVERY

ABS offers state-of-the-art services that allow us to recover deleted data from Apple iPhones\*.

- + Recover user data from iTunes Backup Files
- + Recover user call logs, contacts, SMS messages, Internet history, and dynamic text history.

**\*Please Note:** Our current service supports iPhones running iOS up to 3.x at this time. You MUST have your PIN for locked phones before we are able to perform a recovery.

#### ANDROID RECOVERY

ABS offers state-of-the-art services that allow us to recover user data from your ANDROID\*\*.

- + Recover all accidentally deleted important files.
- + Recover user call logs, contacts, SMS messages, Internet history, and dynamic text history.

**\*\*Please Note:** You must have the PIN for locked phones before performing a recovery.

#### COMPUTER CHAT REPORTER

ABS offers state-of-the-art services to help you at home. Instant Messaging today can pose real problems. Your children can easily be talking to online predators or be having inappropriate conversations with friends. Get peace of mind by monitoring what goes on in your home on your computer.

We search your entire computer, and scan it for chat logs from Yahoo, MSN 6.1, 6.2, 7.0, & 7.5, ICQ 1999-2003b, Trillian, Skype, Hello, Miranda and create a report in an easy to read format so you can see what your kids are saying to people online.
